**ASSENTED TO MOTION FOR ONE DAY EXTENSION OF TIME**

The government moves for an extension of time until Friday October 6, 2006, in which to file its Proposed Jury Instructions. In support of the this motion the government states that counsel for the government has completed the Instructions but while converting the file into a pdf format for electronic filing the document became corrupted. The government believes it will take the computer systems personnel one day to resolve this problem and allow the document to be filed electronically. The defendants, through counsel, assent to this extension of time.

Accordingly, the government respectfully requests until Friday October 6, 2006 to file its Proposed Jury Instructions.

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney
